

## **Bachelor of Arts Visual Studies**

**Visual Studies allows students to design and follow an individualized program of study, including Minors.**

### **VISU 300 Art and Design Process**

Exploration of contemporary practices and art & design methodologies, analyzing the work of a range of relevant artists and designers. Reflection and presentation of individual art and design investigation may include drawing, reading, writing, journal assignments, field trips, cross- disciplinary critiques, lectures and presentations from visiting artists and faculty. Computer literacy, documentation of artwork and studio safety are also included. Prerequisite(s): None.

### **VISU 400 Art and Design Thesis**

Capstone course for the BA in Visual Studies program. Includes seminar discussions and writing component. Focus on the creation of exhibitions, presentations, and/or publication of work produced in studio courses. Exploration of exhibition, presentation, and fundraising opportunities. Seminars explore professional skills and attitudes; theories and practices within contemporary art and design. Prerequisite(s): None.
